

Equivalent Fractions: Digital Match Game

**4.NF.1 Recognize
Equivalent Fractions**

Created by Cassie @ MathGeekMama.com

Using This Interactive Activity:

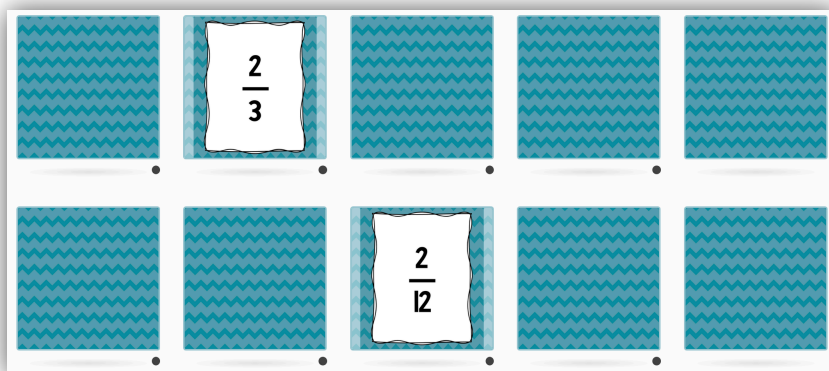

This digital, self-checking activity can be completed on my website, MathGeekMama.com by clicking the link below.

You do not need Google slides, Google classroom, a Boom Learning account or any other software, simply an internet browser.

Access the activity here:

<https://mathgeekmama.com/match-equivalent-fractions-digital/>

To play, tap the cards to look for pairs of fractions that are equivalent. If they are not, nothing will happen and you need to try again:

If a pair of cards shows equivalent fractions, the cards will be grayed out like this:

Once you find all the matching pairs, click 'reset' to play again!

Thank you for downloading
this resource!

Terms of Use:

I sincerely hope you find this resource to be helpful and enjoyable for you and your students!

I only ask that you abide by Math Geek Mama's terms of use. This resource is intended for **personal use** in the home or classroom only.

Please do not link directly the pdf file, edit the resource in any way, store them on your website, or print this resource to sell/distribute to others.

I love providing quality resources for readers, and following these terms allows me to continue to do so.

If you would like to share this (or other) resources with friends and colleagues, please send them to my website to get their own free copy.
